## Unable to Work! NO APPETITE! COULD NOT SLEEP!

## Ayer's Sarsaparilla

COMPLETELY CURED HIM.  
Mr. T. J. Clune, of Walkerville, Adelaide, South Australia, writes:

"Six years ago, I had an attack of indigestion and liver complaint that lasted for weeks; I was unable to do any hard work, had no appetite, food distressed me, and I suffered much from headache. My skin was sallow and sleep did not refresh me. I tried several remedies and consulted a doctor, without obtaining any relief; finally, one of my customers recommended Ayer's Sarsaparilla. It helped me from the first,—in fact, after taking six bottles I was completely cured, and could eat anything and sleep like a child."

## CALLS HARMONIZED.

There are no occasions worthy of the slightest feeling in which music is not used. A practical yet interesting way of using melodies is the issuing of orders in the army and navy.

In all time previous to last month the orders of the United States army and navy in action were unlike. In a case of the coast crew being called ashore the confusion arising from the navy not knowing the orders of the army can perhaps be imagined better than described, but a committee have been at work investigating and adjusting matters so that like bugle directions for both army and navy have been established and sanctioned by the signature of the Secretary of War.

There is one medicine which every family should be provided with. We refer to Chamberlain's Pain Balm. When it is kept at hand the severe pain of a burn or scald may be promptly relieved and the sore healed in much less time than when medicine has to be sent for. A sprain may be promptly treated before inflammation sets in, which insures a cure in about one-third the time otherwise required. Cuts and bruises should receive immediate attention, before the parts become swollen, and when Chamberlain's Pain Balm is applied it will heal them without matter being formed, and without leaving a scar. A sore throat may be cured in one night. A piece of flannel dampened with this liniment and bound on over the seat of pain, will cure lame back or pain in the side or chest in twenty-four hours. It is the most valuable, however, for rheumatism. Persons afflicted with this disease will be delighted with the prompt relief from pain which it affords, and it can be depended upon to effect a complete cure. For sale by all druggists and dealers. ## First and Always

If you can afford to buy any beer at all you surely can afford to buy and use only the best. Seattle Beer contains no injurious ingredients and is therefore absolutely pure. On draught at the Criterion saloon.

## X RAY SLOT MACHINE.

Drop in a Nickel and See the Bones of Your Hand.

Edison has almost completed another nickel-in-the-slot machine. You put your hand in a box containing X rays and a fluorescent screen. Drop a nickel and see the bones of your hand.

Mechanics in the laboratory are at work building the big fluoroscope, by which the inventor expects to see within the human body. It will be six feet high and four feet wide, large enough to see a big man standing. A battery of half a dozen or more Crookes' Tubes will supply the X rays.

Mr. Edison is not content with a tube which allows him to see through steel an eighth of an inch thick or through eight inches of wood. More power in his tubes is what he seeks, and he believes he will soon attain it.

Mr. J. K. Fowler, secretary and treasurer of the Corinne Mill, Canal and Stock Co., of Corinne, Utah, in speaking of Chamberlain's Cough Remedy says: "I consider it the best in the market. I have used many kinds but find Chamberlain's the most prompt and effectual in giving relief, and now keep no other in my home." When troubled with a cough or cold give this remedy a trial and we assure you that you will be more than pleased with the result. For sale by all druggists and dealers. Benson, Smith & Co., agents for H. I.

## Public Opinion

Public opinion is the highest commendation, as is attested by the fact that the Pabst beer exceeded by 49 per cent the amount of beer sold by any similar institution in the world. This famous beer is on draught at the Royal, Pacific and Cosmopolitan saloons.

The truth in advertising may be told in a weak way, and is then almost as futile as if it were untruth.

HONOLULU, July 29th, 1895.

MESSRS. W. G. IRWIN & Co., LTD.

GENTLEMEN:—In reply to your inquiry as to how the Ideal Roof Paint you sold me lasted, I would say that I painted the roof of my house 12 months ago with your Red Ideal Roof Paint, and I find it is as fresh and bright in appearance today as when first applied; looking as well as others lately painted with other paints. I am more than satisfied.

J. G. ROTHWELL.

Have you a leaky gutter? If you have, make it perfectly clean and dry, apply a good coat of No. 3 P. & B. Paint over the leaky spots; then take a piece of stout Manila paper, or a piece of common cotton cloth, paint it well on both sides; lay it over the first coat, giving the whole a final coat, and there will be no more leak there. Or if the whole gutter is bad, make it clean and dry, and apply a paste of P. & B. Paint and Portland Cement.

## READY NOW.

You remember the epitaph on the tombstone in the country church yard: "Expected this, but not so soon."

Is your roof in good condition for the rainy season? You of course expect it, but will your house be in the proper condition to receive it.
